

**Bristol Flyers**  
**Assistant Sports Therapist**  
**Rehabilitator**  
**Physiotherapist**  
SGS WISE Campus

Bristol Flyers Basketball club have a great opportunity for an Assistant Therapist to join their medical department, contributing to the overall performance support for the British Basketball League (BBL) squad.

**Purpose of the role:**

Provide medical support to the BBL squad. This role requires work as part of a multidisciplinary team and thus excellent communication is essential.

The successful applicant would, in strong collaboration with the Head of Medical:

- ✪ Provide injury assessment
- ✪ Give treatment and offer rehab for injured athletes
- ✪ Provide taping and treatment before training sessions
- ✪ Providing courtside first aid for training and away fixtures.

This is a part-time fixed-term position, paid at £20 per hour for clinic (approx. 4 hours per week, mainly Tuesday and Thursday)

£100 per game (approximately 20 away fixtures during the season, generally Friday/Saturday or Sunday)

There is the opportunity to attend CPD courses funded by the club.

The successful applicant will be required to have a flexible approach to weekly working, with training generally Tuesday/Thursday 5pm and games Friday/Saturday or Sunday.

All travel, and accommodation where necessary, will be provided.
